Contact View & Menus

A hand-drawn sketch of a mobile application interface for a contact form. The screen is enclosed in a rounded rectangle with a thick black border. At the top, there is a status bar with a grey background containing icons for signal strength, battery, and the time 21:59. Below the status bar, the page has a white background. In the top left corner is a question mark icon, and in the top right corner is a hamburger menu icon. The main heading 'CONTACT US' is centered. Below it are two input fields labeled 'USERNAME' and 'EMAIL'. A large text area for the message is labeled 'Your message goes here'. Below the message area is a checkbox labeled 'Agree data use'. At the bottom of the form is a 'Send Message' button. In the bottom left corner, the word 'IMPRINT' is visible.

21:59
